Year 2 Welcome Back Newsletter

September 2021

Welcome back to a new school year! I hope that you had a relaxing and fun summer.

We have lots of exciting lessons and activities planned for this half term. In English we will be finding out about the Diary of Samuel Pepys, which will support our History lessons where we will be learning about the Great Fire of London. In maths, we will be learning place value, addition and subtraction. We will create artwork in the style of Megan Coyle and will make bread in our design and technology lessons. We will find out about every day materials and their properties in science.

Our PE lessons will take place on a Monday afternoon, we will be starting with gymnastics. Please can the children come to school that day wearing their PE kit. Earrings need to be removed before the children come to school on a Monday as we are unable to remove them. Please can the children bring a water bottle in daily with water and not juice.

We will update you shortly regarding our class trip.

Please read with your child as often as possible. We ask for a minimum of 3 times per week but every night is ideal and helps to form a routine. It doesn't need to be a lot of reading, but it is important to ask questions about what your child has read, to make sure they understand the text. Please write in their diary each time they read.

Your child will also be bringing home special library books to share with you in the hope of nurturing a love of reading. More information will be sent out soon regarding the library books.

The children in Year 2 will have the following homework:

- Spellings (Tested on a Friday)
- Maths/English on alternate weeks to be returned each Monday
- 1 piece of project homework
- TT Rockstars
