Year 6 Autumn 2 Newsletter

November 2021

Welcome to the second part of the autumn term.

The start of the year has got off to a really positive start with all children settling well into their new class and routines. The prefects have done us proud by taking personal responsibility for their roles which is great to see.

We had a great time learning about the Early Islamic Civilisations in history where children were able to recall some key knowledge from that period in time. Their own stories, based on Skellig,, were great too and we look forward to our next units.

Miss Brough &
Miss Nixon

**WELCOME
BACK**

Year 6 will continue swimming on a Wednesday until Christmas, so please ensure swimming kits, including a swimming cap, are in each Wednesday.

Children should have a water bottle with water, in school each day please too and a healthy snack for break time.

Reading is so important and it is still an expectation that all children read at home at least 3 times a week and have it recorded in their planners.

Planners are checked weekly for a parent signature too.

As well as reading fluently, understanding what has been read is a key skill too, so don't forget to ask questions to check understanding.

Homework will continue to be given on a Thursday to be returned on Monday please.

Please use the SATs Study Guides to support with homework if needed.

Spellings are handed out on a Friday to be tested the following Friday, so please ensure you practice them in context to help spellings in school too.

Year 6 maths club starts next week on Monday 8th November until 4.15pm. Due to the dark nights, children will need collecting please as they will not be allowed to walk home.

Y6 ASM will be on a Tuesday now, so please ensure PE kits come into school on this day if your child attends ASM.
