Dear Parents/Carer,

Change to Years 4, 5 and 6 Home Time ***The change will come into effect from 27.2.17***

As you will be aware, last term we made changes to improve the home time routine. We would like to inform you that further to the change of locations, we have decided to alter the times in which children are released. This is to try to reduce the volume of parents/carers and children on site at the same time.

The new times are as follows:

Early Years (Nursery and Reception)	3:05pm (No change)
Years 1, 2 and 3	3:15pm (No change)
Years 4, 5 and 6	3:20pm

To support school in this matter and to help safeguard the children at Milton, please ensure you allow your child to reach their designated area before taking them from the line. Also please refrain from talking to the class teacher, as this can distract the class teacher from observing the children reach their parents safely. If you need to talk to the class teacher, please feel free to do so, once all the children have been dismissed. once you have collected your children please exit the site as quickly as possible.

As always, the safety of our children at Milton Primary is our primary concern.

Mrs L Jukes

Head of School
