SCHOOL PROCEDURES FOR BAD WEATHER

December 2017

Dear Parents/Carers,

I would like to clarify our policy for bad weather conditions.

In the event of school closure we will text as soon as possible. We will try to make an early decision. Sometimes, this decision is less straightforward as it is dependent on the number of staff who are able to get to school. In this situation we may only be able to open for some classes and not all.

- Once open we will always try and stay open as we have a number of staff who live locally. However, again, this will depend on circumstances and how many children are in school.
- If there is bad weather during the day and you wish to collect your child early please do so. **There is no need to ring to check if that is possible.** If you decide you wish to collect your child early that decision is yours.
- Information regarding school closure will be :
 - **By text**
 - **On the school website: www.learningvillage.org.uk**
 - **On the Local Authority website : <http://public.klp.rm.com/establishments/8610000/SchoolClosureNotification/Pages/default.aspx>**
 - **Radio Stoke / Signal Radio**

Please avoid ringing the school to check as we need to keep telephone lines clear and staff may not be available to take the call.

Hopefully, none of this will be necessary. We will always try and stay open and would like to reassure you that any decision always puts the safety of children first.

Thank you for your continued support.
