Statement of Intent

At Greenways Primary Academy, we value pupils' education and aim to provide a broad and ambitious curriculum that is accessible to all. We do not tolerate discrimination of any kind and our curriculum celebrates the diverse nature of society, enabling pupils to embrace the world around them – encouraging adherence with fundamental British values. It also promotes the spiritual, moral, social, cultural, mental and physical development of pupils at our academy and of society.

This policy outlines our dedication to establishing a well-rounded and robust curriculum, as well as the provisions surrounding its creation.

Our curriculum

The primary purpose of our curriculum is to enable our pupils to know more and remember more. Pupils' learning and development is at the heart of our academy's curriculum; it is broad and ambitious and equips pupils with the knowledge necessary to succeed in life after school.

Curriculum intent

At Greenways Primary Academy, we have designed our curriculum with pupils' learning at its heart. We recognise that a curriculum has to be broad, ambitious and offer pupils opportunities to grow as individuals as well as learners. Our academy values the input of its pupils, parents and the local community with regards to the planning and delivery of the curriculum.

We aim to ensure pupils enjoy learning and feel prepared for the next stage of their education. We also intend to offer our pupils new and exciting experiences through extra-curricular activities that are designed to build resilience, confidence and self-esteem. Our curriculum will be delivered in accordance with the Equality Act 2010, through a variety of methods, including those outlined below.

Classroom-based learning: Accessing different learning resources and equipment to broaden pupils' knowledge, and making cross-curricular links where possible within lesson plans, so that pupils can draw upon knowledge from different subjects and understand how each unit of learning plays a part in everyday life. Classroom teaching also includes one-to-one and small group tuition for pupils who require additional support.

A full list of the subjects available to our pupils can be found in [section 6](#) of this policy.

Extra-curricular activities: We provide a variety of extra-curricular activities for pupils that enhance their learning experience, form personal connections with their peers, and teach skills essential for life beyond school.
