'Together We Achieve Our Best'

What do you think we could do better at Milton?

- Nothing it is all good
- More special days – Last year we planned more events than normal, as we were so proud of the resilience you all showed during a difficult year. We will look at next year and see what we can do 😊
- More holiday clubs – This is something we can look into.
- More outdoor days – Your teachers will always look for opportunities to take your learning outside 😊
- More play equipment at break and lunchtime – Absolutely, we will order new equipment for the Autumn term.
- Special visitors in school – We like visitors too – we will see what we can do 😊
- Let us bring our pets to school everyday – However much we would love to meet all of your furry or scaly friends, unfortunately for health and safety reasons we cannot have your pets in school.
- An iPad for everyone – We are really lucky at Milton, we have a lot of iPads and laptops that are shared across the school.
- Children's behaviour – Sometimes just like with learning, children struggle with their behaviour. This is managed using our behaviour policy. Your teachers are here to make sure your learning is not disrupted, to keep you safe and also support the needs of all the children in the class.

Thank you for all of your honest comments and feedback. It really does help us to improve your experience at Milton.

Best wishes,

Mrs Rebecca Bailey

Headteacher
