

Milton Primary Academy

Deputy Head Boy

MILTON PRIMARY
ACADEMY

My name is Harry and I'm this year's Deputy Head Boy. This evening I will be telling you about my exciting journey at Milton Primary Academy.

My first day at Milton was scary but I soon settled in. The teachers and the staff really helped and supported me and it is because of them I enjoy school as much as I do.

The trips we have are some of the best, we've even been fortunate enough to visit France! The events we do are exciting – there is never not something going on. On Thursday we are all dressing as Rockstars for the day to launch our times table initiative.

Milton is a great school; the lessons we have are really interesting and the teachers make learning fun. I've made many friends and the Big 5 Values run through the core of this school.

I hope your child enjoys Milton as much as I have.

Remember our motto: **Together we achieve our best.**
